

Kalama School District

Network/Internet User Agreement and Parent Permission Form

To use networked resources, all students must sign and return this form. The following activities are not permitted on our network:

- Damaging or modifying computers or the network.
- Sharing private identity information (phone number, first and last name, address,) without permission from teacher **and** a parent/guardian.
- Accessing or destructing another student's work or files.
- Using another student's password.
- Displaying inappropriate pictures or messages.
- Personal use of email, chat groups or instant messaging.
- Violating copyright laws.
- Unethical use of network resources (fraud, harassment, monetary gain, etc.)
- Will not access district wireless network from personal device without express permission from their teacher.

Student User Agreement:

As a user of the Kalama School District computer network, I agree to comply with the expectations outlined in this document. Violation of any of the above items could result in a loss of access as well as disciplinary action.

Student Signature _____ Date _____

Parent/Guardian Permission:

All students are provided with access to district computer resources. In addition to accessing our district computer network, as the parent or legal guardian, I grant permission for the above named student to:
(Initial appropriate items)

- _____ access the Internet and e-mail systems
- _____ have his/her intellectual property (class work, essays, etc.) posted on the district website
- _____ have his/her full name and/or identified photo posted on the district website
- _____ have his/her unidentified photo posted on the district website
- _____ have his/her intellectual property used as an example in other schools, workshops and/or conferences

Unless otherwise requested, these permissions will be granted for an indefinite period of time. If you wish to make changes to the permissions you have granted, please contact the school your son/daughter is attending. I understand that the Kalama School District has safeguards in place to prevent offensive materials from being accessible through our district computer network, but nothing is 100% effective. Therefore, I accept responsibility for discussing appropriate use of the internet and the district network with my son/daughter.
